

Office of Assistant Treasurer U. S.,

New York,

Dec. 20, 1884

Sir.

I find it necessary to procure from 20 to 25 strong kegs for the transportation of coin between this office and Washington and before ordering them, I would be greatly obliged if you would kindly furnish me with the name and address of the parties who manufacture the kegs used by you in packing silver for shipment, and also advise me if in your opinion, they could probably fill an order for the quantity I require without delay. Please give me the price you pay. Respectfully

Hon. A. London Snowden
